About the Event

Join us for the first-ever Japan launch of the **Doing Good Index 2026**, a pan-Asian study by the Centre for Asian Philanthropy and Society (CAPS) examining the enabling environment for social impact across 17 Asian economies. The event will bring together thought leaders, practitioners and experts to explore the critical capacity challenges facing Japan's social sector, as well as the broader ecosystem opportunities for strengthening philanthropy and private social investment.

Agenda

- 4:00 PM Opening Remarks
- 4:10 PM Presentation: Doing Good Index 2026
- 4:35 PM Social Sector Panel
- 5:10 PM Cross-Sector Panel
- 5:55 PM Closing Remarks
- 6:00 PM Networking Reception
